

Altoona Public Library's 2020 Summer Reading Program looks a little different from past years, as it is in an online format vs. an in-person program. Most aspects of the multi-age program will retain its familiarity, in that we'll still be offering guessing game challenges, community hide and seek and literacy extension activities, and, of course, opportunities to log and meet weekly reading goals. The more participants take part in all that the library has to offer via their fun, interactive 9-week online summer reading program, the more prize tickets they will earn to put toward our fabulous prize line-up.

Like past summer reading programs, this "for fun" online version is open to readers (and future readers) of all ages and abilities. Those entering grade 6 and under this fall, will want to enroll in the *Kids' Summer Reading Program* for a chance to win some fantastic prizes. Likewise, students entering grades 7-12 in the fall will want to enroll in the *Teen Summer Reading Program*.

There'll also be an *Adult Summer Program* for those "grown-ups" who want to get in on the prize action as well.

Challenges for all age groups will begin June 15 and will run through August 15.

Interested? There are 3 easy ways to sign up. Please choose the option that works best for you and/or your family:

1. Web version URL: <http://altoonapubliclibrary.beanstack.org/>

2. Beanstack Mobile App (Available in the Play and App Stores)

3. Paper based reading log/activity packets at the library. Sign up by calling 715-839-5029 and to schedule a curbside pickup appointment Tuesday – Saturday 10 a.m. – 4 p.m. to receive your weekly packet. This information is subject to change based on the library's reopening date, which is yet to be determined.
