WHEREAS libraries provide access to books that offer teachable moments for readers of all ages and expand our understanding of people with different backgrounds, ideas, and beliefs; and

WHEREAS books are tools for understanding complex issues; and

WHEREAS limiting people's access to books does not protect them from life's complex and challenging issues; and

WHEREAS all people deserve to see themselves reflected in a library's collection; and

WHEREAS librarians are professionals trained to not impose their own thoughts and opinions on which ideas are right, but to make knowledge and ideas available so that people have the freedom to choose what to read; and

WHEREAS removing and banning books from public libraries is a slippery slope to government censorship and the erosion of our country's commitment to freedom of expression; and

WHEREAS a large majority of Americans across the political spectrum oppose book bans; and

WHEREAS book bans harm communities; then

THEREFORE, BE IT RESOLVED that the Trustees of the Altoona Public Library, Altoona, WI, endorse the following statement:

Individuals should be trusted to make their own decisions about what they read and believe. Further, no one should make decisions for other parents' or guardians' children about what they read.

We, the Trustees, are united against book bans.

THEREFORE, BE IT FURTHER RESOLVED that the Altoona Public Library Board of Trustees will act to protect the rights of everyone to access a variety of books and materials in libraries and online.
